New Business:

Henry P. : Brought up the issue that he gets inquiries from FCC members about putting FCC financial information on the website. He says other clubs do this. However, it is not a club requirement, per Dennis and Ken H. John M. suggested we list organizations we financially support in lieu of listing the FCC financials.

Henry P.: The town of Raymond had asked FCC to be in their parade on April 21, which includes a crafts fair. He asked if FCC wanted to man a booth to try to get in good with the locals, as they are going to allow us to do the Raymond gravel ride and have cooperated with the Raymond Brevets in the past. Henry cannot make it that weekend, so suggested if we do not man a booth if we can send a donation of \$50. 2nd by Joe C. Motion passed to donate \$50.00 to the event.

Ken H.: Sumner Peck on Friant Road has public events on Wednesday nights. Perhaps FCC can make an event night on one of the nights.

Diana M. would like an FCC credit card since she purchases a lot of food and items on behalf of the club. Dennis will get her added to the account. This was approved by the Board.

Meeting Adjourned: 8:14 pm

Respectfully submitted by Janet Lucido, FCC Secretary
