Ride of Silence: Do we want to make it an FCC event rather than going through the official site? Date is pending, but has been the 3rd Thursday in May in the past (May 16). Can discuss further next meeting.

May is Bike Month Activities:

Ride for Kids' Helmets (Partner with the Fire Department). Dennis will make contact with Tony Molina regarding coordinating with the fire department fundraiser.

Storage Unit: Diana D.: Diana reminded everyone when they bring back items after a ride, there is an area to return the bins. She will go through the bins and put items back where they belong. She also reminded to not take the marked bins, but use the empty bins to add the items needed for the event and to clean any utensils or reusable containers before returning them.

New Business: Diana suggested we have a meeting soon regarding ride event master planning. She provided an update on the injuries sustained by an FCC cyclist on the prior week's Taco Ride. Joe C. recommended putting together a protocol for ride leaders to follow when there is an accident. Diana D. suggested obtaining the form put together by Angelo Quitariorio for the BLDC. We should have any necessary forms available for ride leaders on the internet. Dennis will add ride rules to Facebook and to the website.

Respectfully submitted by Janet Lucido, FCC Secretary
