Meeting Opened: 6:36 PM, called to order by President Dennis Ball

March Board Meeting Minutes: Provided after meeting via email and no changes requested, so approved as written.

Advocacy: Tina Sumner: Follow up on current legislation regarding bicyclists in the right turn lane. This became law last month. If a jurisdiction puts signage and lane markings, cyclist can go straight from the right turn lane. If not, cyclists will need to be in the closest through lane.

Pending bills: AB2674 is a Bay Area bill regarding cyclists' equipment. SB945 is a bill suggesting motorists open the driver side door with their right hand, resulting in looking over the left shoulder to see approaching cyclists. This could be in the drivers' manual and on a drivers' test. Pending. AB2121 is in regards to cycling advocacy. SB949 bicycle codes explained to include electric bikes.

Treasurer's Report: No report

Ride of Silence Planning: Melissa Rose: Waiting to hear what the National organization chooses to do. They may end up recommending people do solo rides or a virtual ride.

Kirch Flat: Yvonne and Michael: Postponed to September 5 due to COVID19.

Tour de Femme: Moved to May 15, 2021 due to COVID19.

C2K: Dennis: Has the school secured and will work on obtaining permits. Everything is shut down, so no permits are being issued.

New Business: All club sanctioned rides are postponed until after COVID19 restrictions are lifted. Club members can ride on their own, but insurance will not extend to any rides during this time.

COVID19 and membership renewals: No concessions on renewals.

Meeting Adjourned: 7:02 PM

Respectfully submitted Janet Lucido, FCC Secretary
