Advocacy: No Report

Treasurer's Report: No Report

All Club Ride: Diana D.: She was looking for ideas. She wants it to be an "A" level ride inviting to members and non-members. It was discussed and the date of June 27 was picked. The ride can start at the Clovis Veterans' Memorial parking lot and travel down the trail to Trailhead Park at Shepherd and Sunnyside. More details will be added and an event created. Tentative times from 8 am-11 am.

Ride of Silence Recap: Dennis: There was a good turnout with approximately 35 riders. For the most part, everyone adhered to the 6' distance rule.

Kirch Flat: Yvonne M. and Mike Q.: It will be held September 5, 2020. Entries are open, but no one has signed up yet. They are working on precautions and will have masks and gloves available for volunteers. Food will for the most part be pre-packaged. They will have a rollout of 20 riders a minute. They ask that people spread out for the after ride meal, which will be provided by the taco truck. There will be no QOM or KOM this year due to the staggered start. The theme will be Mexico Independence day.

Grizzly Committee: Dennis and Mike Q.: FCC will be responsible for registration and shopping. The North Fork committee will handle the rest stops, BBQ and day of operations. Dennis is recommending they add the day of festival they used to have. The Lions' Club will be doing the breakfast. Dennis will be on the committee that will start having meetings soon. Volunteers needed. Diana D. will put out a request list.

Cliques: We discussed cycling cliques and whether we as a club can do more to be more inviting to potential new cyclists and new members. It was suggested that ride leaders could be cognizant of being more encouraging. We also discussed racism, which has no place in FCC. Dennis found a quote "Racism and bigotry are unacceptable in America.....unacceptable anywhere". It was suggested we add this to our website.

New FCC Kit Design: The committee will finalize and will try to have the jersey design and orders available by the welcome back ride. The design needs to be completed by June 22 in order to get them back by September. Joe C. made a motion to accept the concept design. Janet L. 2nd. Passed.

Standing Positions Committee: Diana D. She will discuss with Tina S and Michelle S.. for an update next meeting. Medical personnel and SAG standing positions are already set.

New Business: The Annual Monterey 17 Mile Ride will be held January 16, 2021.

Meeting Adjourned: 7:56 PM

Respectfully submitted Janet Lucido, FCC Secretary
